Additional comments:

Gregory was amazing to work with all term. He filled the class with positive energy and consistently demonstrated tenacity in each task that he took on. He remained professional and composed in his teaching and during his engagement with students; class management, feedback, fielding questions, helping with minor technology issues, etc.

I encourage Gregory to continue to refine his supervision style and congruently display it in his interaction with students. While I provide this challenge, I did not notice any concerns that question his overall skill and knowledge. I welcome the opportunity to work him again.
